

BUS SEATS

Well known in Tourism and Gran Tourism seats production for coaches, Politecnica became the right partner to give comfort and a superior look to every vehicle, offering top quality solutions, strong products and low maintenance, comply with the regulations and certifications. Seats certified in according with **UNECE R118** and **M1-M2-M3**.

TRAIN SEATS

Train seats market requires products in according with **strict regulations**.

Politecnica's products can satisfy every design request for short, medium and long range travel and always guarantee highest standards of comfort and quality.

CUSTOM SEATS

Military vehicles, police vehicles or rescue vehicles.

We help our customers in their projects and together we find the right solutions regarding the structures, padding and upholstery.

Thanks to the partnership with C.M.R (cmrsrl.com), we can make steel parts and structures in according with any technical specifications of our customers.

CRUISE SEATS

Our cruise seats are developed thanks to the experience and the **ergonomics study** for **long range travel**.

Thanks to polyurethane quality, the choice of the best materials in the market and the accuracy of steel structures manufactures, **Politecnica** seats are one of the most durable and reliable seats worldwide.

VIP VEHICLES

Our know how and specialized team permit us to offer **tailor-made and total custom products**.
